ISTANBUL

Istanbul, the only city joins Europe and Asia; located on both sides of the Bosphorus, uniting the East and the West on the terms of culture, art and religion. Halic Bay (Golden Horn) a horn-shaped bay located on the European side of Istanbul is one of the most beautiful natural harbors in the world.

It is Istanbul's endless offers of varieties that fascinate the visitors. The museums, churches, palaces, grand mosques, bazaars and sights of natural beauty seem innumerable. Reclining on the western shore of the Bosphorus at sunset contemplating the red evening light reflected in the windows of the opposite shore you may understand why so many centuries ago settlers chose to build on this remarkable site. The history of the city, which is known as the "Capital of the Empires", goes back to ancient times. The city was founded by the Megaras in A.D. 658 and was named Byzantium after their commander Byzas. It was developed very rapidly and turned into a large trade center, existed for hundreds of years as the capital of the Roman, Byzantine and Ottoman Empires.

Today it has become Turkey's most important tourism, trade and industrial city with a population over 13.5 million. The most beautiful historical works of Istanbul are at the historical peninsula inside the city walls between the Marmara Sea and the Golden Horn. One could visit Istanbul for the shopping alone. The Kapali Carsi, or Covered Grand Bazaar, in the old city is the logical place to start with more than 4,000 shops. Sultan Ahmet which known for its Three glorious periods, Roman, Byzantine, and Ottoman, most of the famous and historical sights of Istanbul are located in this area. Topkopi museum A Must See will surprise you with the glimpse of history and culture treasure. It is formed in a 400 years old palace of Ottoman Kings. Istanbul a city where you see Asia & Europe penetrating

The Tour

A leisurely cruise along the fabulous Bosphorus, starting near the Black Sea and taking us past Ottoman palaces, wooden 19th century waterfront mansions, modern pleasure palaces and fortresses. The perfect opportunity is for taking photographs along both shores of this fabled waterway. The arm of the Bosphorus is a natural harbour of the historical peninsula separating the old and the new parts of Istanbul where the first colonies settled during the Byzantine. The residential area is for Byzantine Jews, Italian traders and other non-Muslim minorities. It was named after the famous French writer you will enjoy magnificent scenery of Golden Horn and the city after you take a cable car drive for the hill Cable Car is an enjoyable experience to try and see the total view of Golden Horn. A traditional excursion by boat along the waterway separating Europe and Asia The shore is lined with old wooden villas, palaces of marble, fortresses, and small fishing villages. During the excursion you will pass the magnificent Dolmabahce Palace, and further along, the parks and imperial pavilions of Yildiz Palace. On the coastal edge of this park, is Ciragan Palace, 300 meters of its marble facade faces the shore. At Ortakoy a great variety of artists gather every Sunday to display their work along the street. Ortakoy is a symbol of tolerance with a church, a mosque and a synagogue existing side by side for centuries.
